Apologies that this preview isn't as in-advance as normal. I'm still adapting to my new schedule and figuring out where to find the time to work on posts. Hopefully things will settle down over the next couple of weeks and I'll be able to start getting my content out regularly again. Fingers crossed!

If you just want a quick reference, the table below lists all the products featured along with what I paid for them. If you're here for the reviews, just scroll down a bit.
