

## Best of the DMs Guild - April & May 2018

by loottheroom - Tuesday, June 12, 2018

<http://loottheroom.uk/best-of-the-dms-guild-april-may-2018/>

Welcome to the DMs Guild roundup! I took some time off, but now I'm back and bringing you my picks from the new releases in April and May. (You can find out a little more about the break I just took [here](#)).

In these posts I gather together some of the best new releases from the DMs Guild. You won't find many bestsellers here; the huge amount of new content appearing daily means that lots of great work slips through the cracks. It's my aim to shed some light on those undiscovered gems, and to give you some fun new things to use in your games that you might not otherwise be aware of.

Before we get started, I have an Honourable Mention this month - [Chaotic Evil Compilation #1](#) by Rafael Martins. I didn't include this in the main lineup, because it's a pair of adventures (well, an adventure and a quarter of an adventure, since the second half is a preview of a separate work) and I haven't had a chance to run either of them. The main thing that drew me to this, and that made me want to bring some attention to it, is the the layout. I loved reading through this, partially because of the landscape orientation (which I'm really glad to see more people embracing), but also because the faux-real-magazine style of presentation is executed brilliantly and really made me feel like I was flicking through an old (albeit short) issue of Dungeon.

Now, on to the goods!

<tdTrailblazers of the North

Title	Author	Price	Suggested Price (if PWYW)	What I Paid
<a href="#">Honor &amp; Devotions</a>	David Adams and OAP	\$14.95	—	\$14.95*
