I took this past week off so that I could focus on finishing my MA dissertation, hence the complete last of content since last Friday's post. As of Monday we'll be back to normal - and in the meantime, I've got some awesome content for you courtesy of [DM Whipstache](#).

Here's a table of guild and organisations for your world.

1. Farmers & Ranchers United
2. Cloth Dyers Guild
3. Association of Food Preparation Professionals
4. Stablehand Union
5. Company of Professional Companions
6. The Chandler Confederation [candlemakers]
7. Activists for Orc Rights
8. Organization of Spiritual Leaders of Unofficial Religions and Lesser-Known Deities
9. Legal Aid Fund Benefitting Alchemists, Inventors, & Tinkerers
10. Airship Workers Accord

You can find more of his work at [www.whipstache.com](http://www.whipstache.com). He's also running a Twitter giveaway through the 24th, so head [over there](#) and give him a follow.
