

Monday Map - Redemption

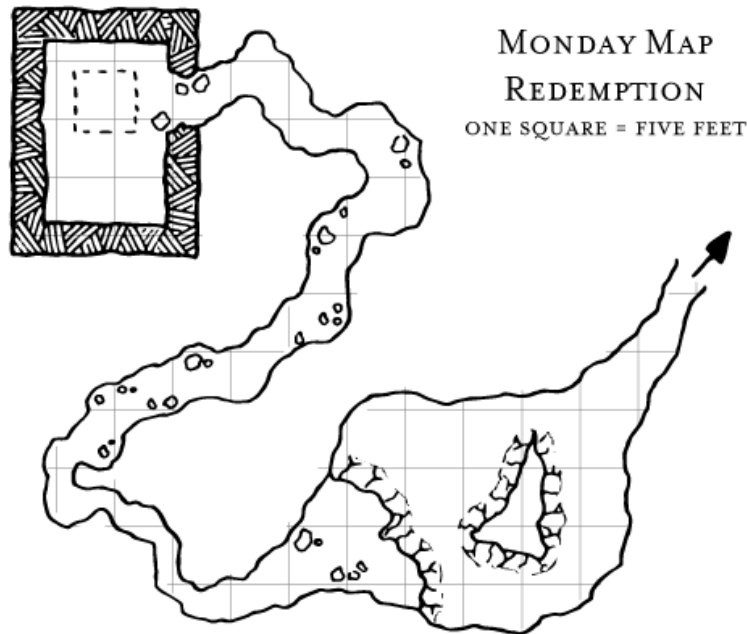

by loottheroom - Monday, July 31, 2017

<http://loottheroom.uk/monday-map-redemption/>

This small town jail has no cells - just a heavy trapdoor, a heavier lock, and a pit beneath it. The two guards who man the jail have no idea that one of the prisoners has been quietly digging a tunnel away from the jail; what the inmate doesn't realise is that she is about to unearth something far beyond her ability to deal with.
